**Object: Letter of recommendation**

To Whom It May Concern

As Real Estate Planning Manager for Canda Post - Eastern Region, I have 1,500 buildings in my portfolio. Approximately the half are Leased buildings.

I have had the opportunity to work with Howard Szalavetz on a very challenging project, with very tight schedule, a lot of important details to consider and involving millions of dollars of capital investment.

During this difficult time, Howard and his Team were cooperative, easily reacheable, always looking for a solution.

Professionalism, open mind and responsiveness are rare these days, but very appreciated and will be cherished during our 10+ year collaboration within Howard's premises.

I would not hesitate to recommend Howard Szalavetz as Landlord.

Sincerely,  
Sibela Sehovic
